_____

1

LOOK closely

Notice the pictures and the clues.

2

TRY a plan

Point, draw, count, or sketch to help your thinking.

3

CHECK and smile

A new try is part of learning. There is no timer.

For grown-ups

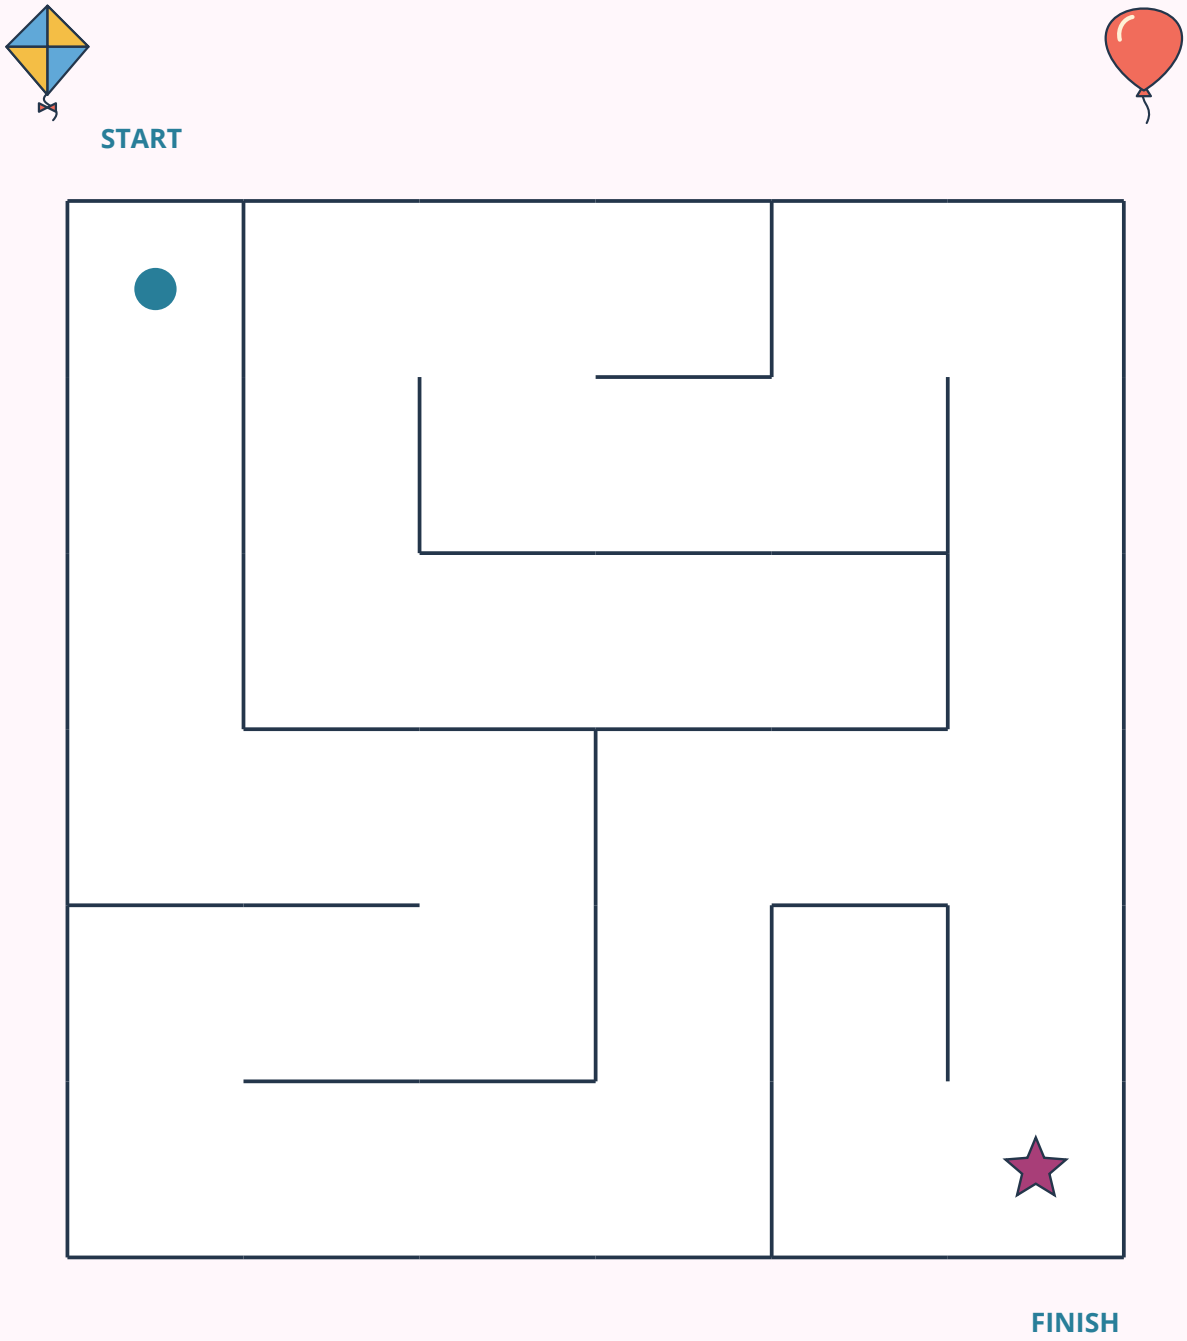

Explore patterns, picture numbers, grids, routes, codes, and simple logic.

Each activity has a matching answer card on pages 19–22. Drawing and memory activities include guidance for checking together. Let your child choose a comfortable pace.

PRINT: A4 portrait in color. For Letter paper, choose Fit.

A winding way

Draw a path from the dot to the star. Stay between the walls.

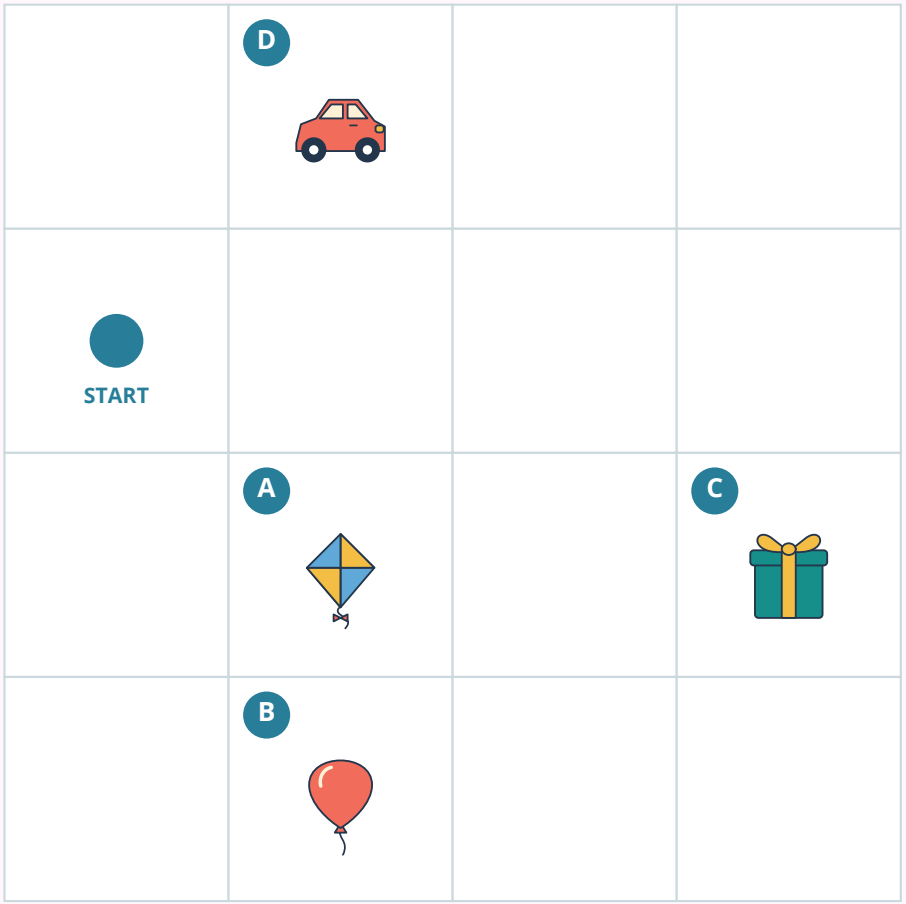

A wrong turn is a chance to try another way.

Four-arrow delivery

Start at the dot. Move one box for each arrow. Which stop do you reach?

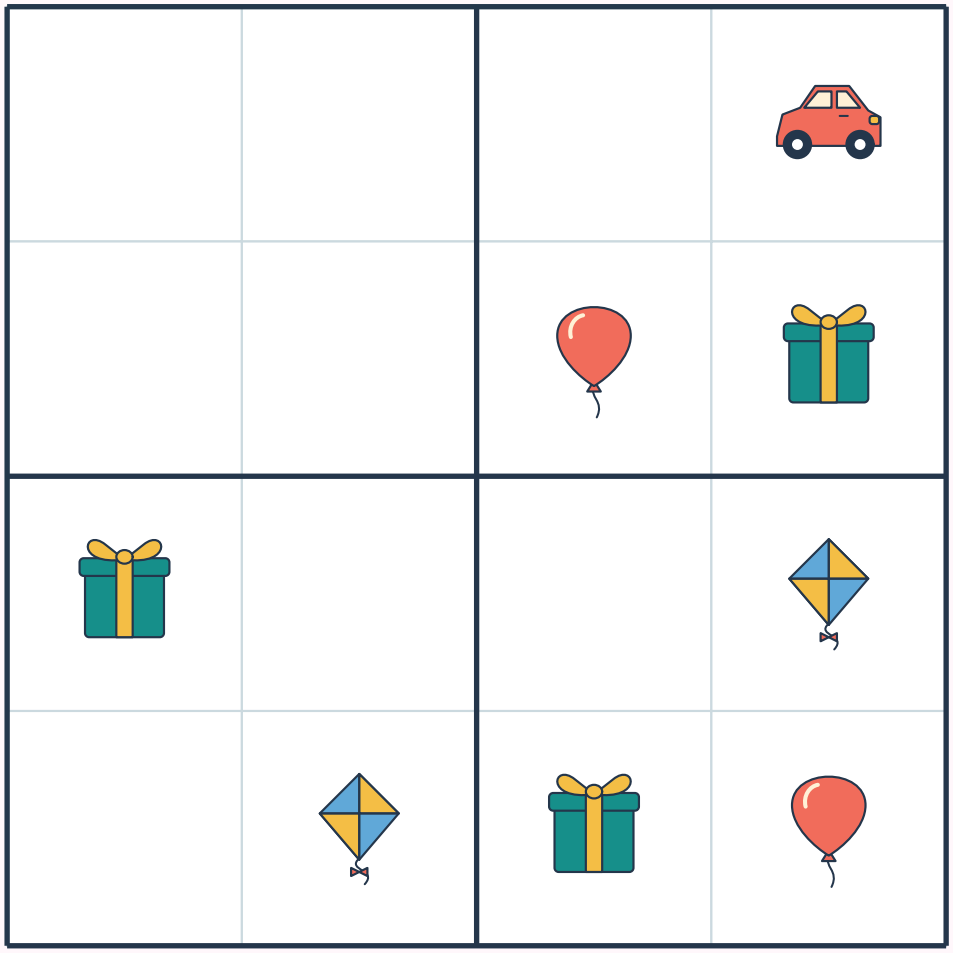

I reach stop ____

Picture mini sudoku

Write the picture numbers in the empty boxes. Use one of each in every row, column, and thick box.

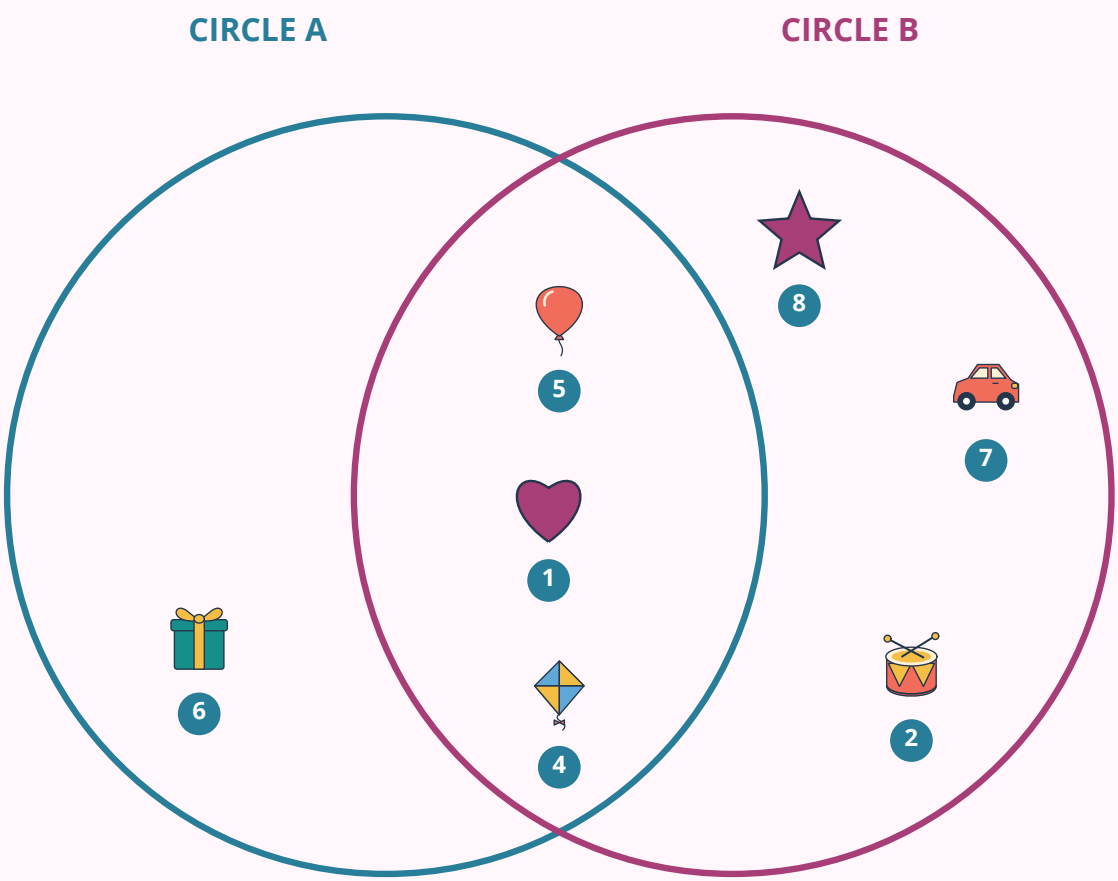

The number key above stands for the pictures.

Inside both circles

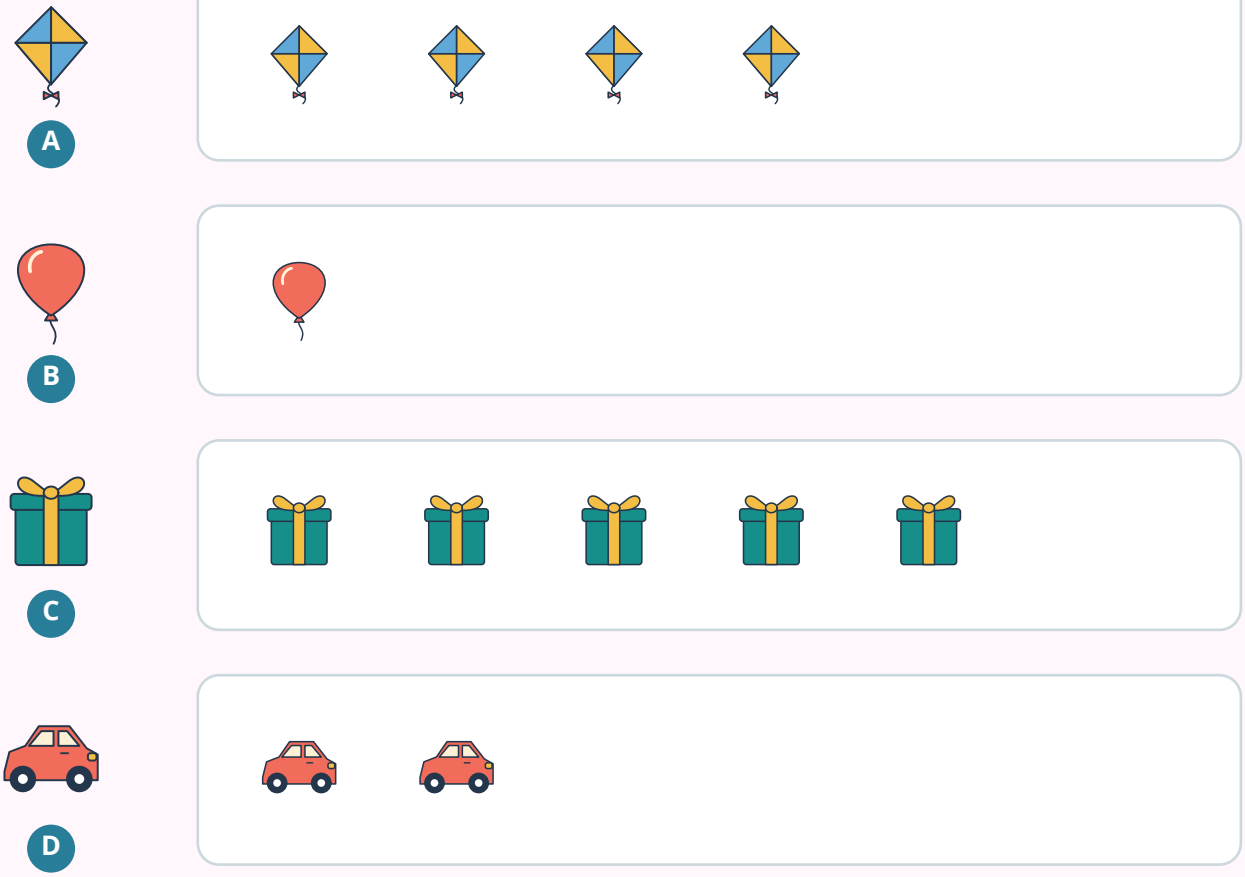

Find the numbered pictures inside both circles. Write their numbers.

Inside both:

Picture votes

Count only the small pictures inside each row. Each small picture is one vote.

Which row has the most votes?

Which row has the fewest votes?

How many votes in rows C and D together?

The picture post

Use the key to write one letter under each picture. Read each secret word.
